## A Two-Day Intensive One-on-One Process to Develop a Strategic Plan for Your Life

It gives me great joy to introduce you to a unique opportunity called the Intentional Woman Life Plan (IWLP). This strategic plan process can change your life. It did mine. The concepts, truths, and tools in this five step process transformed my thinking and consequently, my behavior. I learned that if I live intentionally, being true to my own personality, serving out of my God-given giftedness and calling, I no longer feel the urge to envy anyone else's career, marriage, ministry, talents or mission.

The IWLP will help you gain appreciation for your current life season, perspective on your past experiences and accomplishments, and insight and understanding about who God created you to be—your gifts, temperament and behavior tendencies. You'll get to know yourself and God better and come away with hope and clear direction for next action steps.

If you are sometimes confused about how to focus your interests, gifts, and desires, then the IW Life Plan will help you achieve peace and gain clarity. Please review this brochure with prayerful consideration. When you are ready to explore this opportunity, please contact me. I look forward to working with you.

Blessings,  
Joan

What is God's  
PURPOSE for me?

How can I  
BALANCE my life?

Where do I go  
from HERE?

What is my life  
MISSION?

Do you find yourself asking. . .

How can I make a  
DIFFERENCE?

Why am I not  
SATISFIED?

How should I make  
my CONTRIBUTION?

Isn't there MORE  
to life than this?

If so, you may be ready for an  
Intentional Woman Life Plan

***Make a careful exploration of who you are and then sink yourself into that. Don't be impressed with yourself. Don't compare yourself with others. Each of you must take responsibility for doing the creative best you can with your own life. Galatians 6:4 MSG***

### What is an IW Life Plan?

Your Intentional Woman Life Plan (IWLP) is a personalized, strategically charted plan, developed over a 12-14 hour period, designed to guide and focus your next steps.

### How Will I Benefit from an IW Life Plan?

At the completion of these two days you will walk away with purpose, answers, clarity, focus, hope, and a strategy for action steps in your main life roles.

### Do I Need an IW Life Plan?

Yes! God has a unique plan and purpose for you. Your work cannot be done by anyone else. It is your privilege to discern God's will for your life. An IWLP will help you organize and balance your life around your heart purpose.

### Am I ready?

You may want an IWLP, but may not be ready. Instead, you may need counseling. The IWLP is not therapy, nor prescriptive in approach. It is a planning process which respects the Holy Spirit's work in drawing out your insight. The facilitator is process; you are content.

### Cost?

This may be one of the most important investments you will ever make. Contact me and I'll be happy to discuss the fee with you.

I’ve been so afraid of what other people think of me and worried that I might make a mistake that it has held me back. Thanks to the IWLP and the follow-up life coaching, I’ve found the freedom God has always intended for me. I would definitely recommend this process to others.” *Lorraine, Career Educator, Nevada*

“I wanted to know who I am, becoming accountable for the Becky God created. Through the IW Life Plan, God gave me peace about this. I live with less stress now. My husband notices the difference.” *Becky Brown, wife, mother of toddler, ministry volunteer*
